21st Annual American Society for Competitiveness Conference

Call for Papers: The New Economic Paradigm: Collaborative Competition

October 28-30, 2010

Washington, D.C.

An excellent opportunity for you to:

- Interact with scholars, business leaders, and government leaders from all over the world
- Discuss research findings and current practices pertaining to the various facets and sources of competitiveness
- Present your paper in a very congenial and professional conference environment
- Publish your article in peer-reviewed Cabell's listed journals

Completed articles, works-in-progress, abstracts, and panel discussion topics focusing on, but not limited to, the following areas are sought: traditional areas such as international trade and finance, human resource management, information technology, marketing, etc. as well as areas of current interest such as Knowledge-Based Firm and Society, Privatization and Market Change, Global Competition, Corporate Responsibility and Global Compact, Corporate Governance, Supply Chain Management, & Competing in Dynamic Global Industries.

New for this year: A separate track for student presentations

All competitive papers will be published in the Society's Annual Research Volume--Competition Forum (listed in the Cabell's Directory and on several online databases including EBSCO). At least one author is required to attend the conference. Highly competitive papers are invited for publication in one of the following journals-- Advances in Competitiveness Research and Competitiveness Review. The deadline for the receipt of submissions is July 16, 2010. To
